Dr. Williams' Pink Pills for Pale People do the only thing that will permanently cure rheumatism. They build up the greatly thinned blood and purify and cleanse it of every trace of the rheumatic poison. They are invaluable both during an attack of the disease and during the intervals between attacks. If you have already passed through one or more stages of the disease it is advisable not to wait for an attack before using Dr. Williams' Pink Pills but to start taking them now and prevent a return of the trouble. Don't be satisfied until you have thoroughly cleansed your blood, for until this is done you will never be free from rheumatism.

Mrs. Charles Day, of Tidioute, Warren Co., Pa., says: "I was taken very suddenly with rheumatism which I first noticed as a pain in my right knee. The pain went down to my ankle and sometimes would be in both knees, causing them to swell, and was so intense that I could not move without the greatest agony. My hands were drawn up so that they were useless and it seemed as though every joint in my body was aching. I was in bed nearly all winter and was hopeless that I had to be waited on."

"For two months I was under a doctor's care without his medicine doing me any good. I then tried liniments and various medicines but received no help. After four months of suffering I decided to try Dr. Williams' Pink Pills and felt much better before I had taken many boxes. I then decided to give them a thorough trial and was soon able to walk around and do my work. I feel that it is my duty to tell others what Dr. Williams' Pink Pills did for me and hope it may benefit others."

Start today to cure yourself with Dr. Williams' Pink Pills for Pale People. They are for sale by all druggists, or they will be sent, postpaid, upon receipt of price, 50 cents per box; six boxes for \$2.50, by Dr. Williams' Medicine Company, Schenectady, N. Y. ## How to Be Well.

By Dr. True

Your stomach and bowels are the largest organs in your body.

And the easiest part of you to be abused. You eat all kinds of different foods, you don't chew enough, you bolt your food too fast. Then you neglect your bowels.

Consequence is you get a stomach full of sour, half-digested food and the bowels choked full of filthy waste matter, giving poisons off into the blood and body. Is it any wonder you feel badly?

In my practice I found so many people whose sickness came from bad stomach and bowels that I had a prescription put up and waiting for them.

This prescription became famous as a health giver, so I put it up, naming it Dr. True's Elixir, and you can buy it most everywhere. All druggists and dealers in medicine sell it for 35c, 50c and \$1.00. I know a lot of doctors and druggists who use it in their own families, so you see what they think of it! Just remember the name, Dr. True's Elixir. It brings health to men, women and children.

I will cause to be sold at public auction of all the unsettled book accounts of aforesaid firms on the 21st day of November, 1912, at 2 o'clock p. m., at the office of Melver & Mathieson, room 3, in the Miles Granite Block.
